

Networking For Future, Inc. Recognized on the CRN 2019 Solution Provider 500 List

WASHINGTON, June 6, 2019 – Networking For Future, Inc. today announced that [CRN®](#), a brand of [The Channel Company](#), has named Networking For Future (NFF) to its 2019 Solution Provider 500 list. This annual list ranks the largest North American IT channel partner organizations by revenue.

The Solution Provider 500 is the industry standard for recognizing the highest performing technology integrators, strategic service providers and IT consultants. It is the industry's predominant channel partner list, serving as a valuable resource for technology vendors looking to partner with top solution providers. NFF earned this acknowledgement for the third consecutive year.

“We are honored to once again be recognized by CRN as a top solution provider. We take pride in delivering transformational IT business solutions that optimize our customer’s performance and productivity,” said Hess Fatemi, Chief Executive Officer at Networking For Future (NFF). “Our team brings the experience, expertise, and innovative technology necessary to modernize an organization’s legacy networks and accelerate the performance of their end-user application and collaboration solutions.”

“The companies on this year’s list represent an incredible combined revenue of \$320 billion, a sum that attests to their success in staying ahead of rapidly changing market demands,” said Bob Skelley, CEO of The Channel Company. “Congratulations to the solution provider organizations leading the way in digital transformation and the latest technology services.”

The complete 2019 Solution Provider 500 list is available online at www.CRN.com/SP500 and a sample from the list will be featured in the June issue of CRN Magazine.
