

CISCO TOP-FIVE MID-ATLANTIC SLED PARTNER 2019/2020/2022

Networking For Future Growth Continues – 2022 Top-5 Cisco S.L.E.D. Partner in Mid-Atlantic

WASHINGTON, September 29th, 2022 — Networking For Future, Inc. (NFF), a performance focused IT solutions provider, today announced that for the third time in the last four years they ranked in the top five State and Local Government and Education (SLED) partners for Cisco in the mid-Atlantic. NFF has been a Cisco Gold partner since 2009 and added the Customer Experience Specialization certification in 2021.

NFF increased their delivery across the entire Cisco product and services portfolio, including Enterprise Networking, Security, Services and Collaboration and Cloud Infrastructure and Software. Major awards included contracts with the Government of the District of Columbia, Prince William County Virginia, The Washington Metropolitan Area Transit Authority (WMATA), the District of Columbia Public Schools and Morgan State University.

Tim Murphy, partner account manager at Cisco Systems, stated, “The NFF team saw incredible growth across the Cisco portfolio by driving high value, transformational solutions to our joint customers. Additionally, their post-sales services and support is allowing their customers to achieve the desired business outcomes in short order.”

“Today’s IT environment is more complex and requires more focus on security than ever. These contract awards are a testament to the dedication our team brings to improving the performance and security of our customers and highlight our growth within the SLED communities,” said Steve Hancock, Vice President of Sales Operations at NFF.

About Networking For Future, Inc.
