

## **NFF Joins Three Additional National Public Sector Cooperative Purchasing Agreements**

WASHINGTON, November 8, 2022 – Networking For Future (NFF), a performance focused information technology (IT) solutions provider, is pleased to announce today that they have joined three additional public sector cooperative purchasing agreements that existing and new clients can leverage when purchasing hardware, software and NFF professional services.

NFF joined the following purchasing agreements through their distribution partner TD SYNEX which owns a number of federal, state and local government, and education contracts, all of which can be used by their reseller partners like NFF.

- **National Cooperative Purchasing Alliance (NCPA)** is a leading national government purchasing cooperative that works to reduce the cost of goods and services by leveraging the purchasing power of public agencies in all 50 states. NCPA contracts are available for use to over 90,000 agencies nationwide in both the public and nonprofit sectors including: K-12, Higher Education, City, County, State, Healthcare, Church/Religious and all Non-profit organizations.
- **OMNIA Partners Public Sector** is the nation's largest and most experienced cooperative purchasing organization dedicated to public sector procurement. OMNIA Partners membership is open to all public sector end-user entities, including: Local Governments, K-12 Entities, Higher Education Entities and State Agencies
- **Equalis Group** is an innovative cooperative purchasing organization that believes in the power of partnership and to continuously improve the measurable and meaningful impact of cooperative services for everyone throughout the supply chain. Equalis Group membership is open to all public sector end-user

entities, including: Local Governments, K-12 Entities, Higher Education Entities and State Agencies. Private Sector companies and agencies are also eligible for membership.

Chris Peabody, Chief Strategy Officer shared, “It was important to add these contract vehicles to our portfolio due to NFF’s rapid expansion across the mid-Atlantic state and local government and education marketplace. We’re especially pleased that NFF’s IT professional services and full and part time staffing solutions can be included as part of these contracts”.
